

QUINQUENNIAL QUILTS THROUGH THE YEARS

by Cindy Wesley, OFS

HOLY GROUND

By Kathleen Collins, OFS

Surrounded in beauty
I walk gently
My foot light
Upon the earth

Others have stepped upon this grass
Like me they were lost
In time
In wonder
At the sheer magnificence
Of creation

That I should also stand
Where they have
Is a mystery
This invitation gift
This shared experience grace

Tread softly
You who follow me
Surrounded in beauty
For this is holy ground
