

**Mission Statement  
Work Commission  
Secular Franciscan Order  
2004**

*The work Commission of the National Fraternity of the Secular Franciscan Order in the United States of America has as its mission to remind the sisters and brothers of our commitment to embody our lives of prayer by bringing to the workplace an experience of participation in the work of God who creates, redeems and inspires. In our manner of working and in our hopes and aspirations for material success, Secular Franciscans should mirror the work of the Holy Trinity in the garden of this world, the laboratory of life and the classroom of human endeavor as mandated in our Rule:*

*“Let them esteem work both as a gift and as a sharing in the creation, redemption, and service of the human community”  
(The Rule of the Secular Franciscan Order, Article 16)*

*so they may be faithful servants.*

*“Who is the faithful, farsighted servant whom the master has put in charge of his household to dispense food at need? Happy that servant whom his master discovers at work on his return!” (Mt. 24:45-46)*

*This was the example of our poor little brother Francis, who blesses us for doing likewise:*

*“I worked with my own hands and I am still determined to work and with all my heart I want all the brothers to be busy with some kind of work that can be carried on without scandal. Those who do not know how to work should learn. Not because they want to get anything for these efforts, but to give good example and to avoid idleness...(Test. 20-21). And whoever observes all this may be filled in heaven with the blessing of the most high Father, and on earth with that of his beloved Son, together with the Holy Spirit, the Comforter, and all the powers of heaven and all the saints. And I Brother Francis, your poor worthless servant add my share...to that most holy blessing, Amen” (Test. 40-41).*
